FAQ

Can I join a program mid-season if I missed the registration window?

Absolutely! Spots are not guaranteed on our TOYSL teams but we are happy to facilitate trials throughout the year.

Who do I contact if I have a question or concern?

1- Contact your team coach or manager
2- Reach out to our office at: info@pinnaclesfc.ca

What if I can't afford to put my kid in soccer?

We are committed to supporting families in difficult situations. Please click the link to learn more: <https://www.pinnaclesfc.ca/registration-funding/>

Will my child be able to play competitive soccer year-round?

Yes! Make sure to check out the "additional programming" page of the program details. Our most committed players will have access to quality soccer year-round!

What does my child need for soccer?

Soccer boots (cleats), shin-pads and water are mandatory for all levels of Pinnacles programming. **Welcome emails for each program will inform the dress code for kit.**

Can I request to play with a friend or coach?

100%! Let us know your request at signup and we will do our best to honour it. For programs U10+ on the development side, requests are secondary to the ID day results.

PINNACLES FC

THE PINNACLES WAY

Established with deep roots in the community, Penticton Pinnacles FC embarks on a transformative chapter in 2025. With a renewed vision and unwavering commitment, we aim to set a new standard of excellence for soccer in Penticton and the South Okanagan. Under our new mantra, "Inspire players, elevate people," we are redefining what it means to be part of a soccer club, one that builds better athletes, stronger individuals, and a more connected community.

At the core of The Pinnacles Way, we prioritize skill, creativity, and accountability, cultivating a lifelong love for the game while instilling values of perseverance, resilience, and character. We believe that the journey matters as much as the destination, and through soccer, we aspire to shape not just exceptional players, but well-rounded individuals ready to succeed both on and off the pitch.

Our player development pathway is meticulously designed for long-term growth, emphasizing a strong technical foundation and the ability to adapt to the demands of the modern game. From their earliest steps in soccer, players are immersed in a development environment that emphasizes mastery of the ball, a deep connection to their teammates, and a profound love for their club and community. Through focused training and academy programs, our players will have access to opportunities that accelerate their growth and inspire them to push boundaries, filling a long-standing gap in this region.

In 2025, Pinnacles FC will usher in top-tier coaching and development programs that will unite Penticton with surrounding communities, sparking a region-wide passion for soccer. By awakening the "sleeping giant" of the South Okanagan, we envision Penticton becoming a hub of soccer excellence and a beacon for aspiring athletes across British Columbia's interior.

The success of our players will not be measured solely by their achievements on the field, but by the strength of their character and the impact they make in all aspects of life. With the guidance of dedicated coaches, the support of engaged parents, and the determination of inspired players, Pinnacles FC is building something extraordinary—a community that stands together, thrives together, and achieves greatness together.

This is more than soccer. **This is The Pinnacles Way.**
